CHEFS FIRST EQUIPMENT TRADING

[DUBAI]

Chefs First Equipment Trading is a leading kitchen and laundry equipment contractor in the GCC area with operations established in the UAE since 2010. With an impressive record of successfully completing some of the region's most complex and demanding hospitality construction projects, we have built a reputation for delivering top-quality work within challenging timelines. Our diverse clientele includes five-star hotels, Michelin-starred chefs, production kitchens, airports, QSRs, and luxury villas, among others. Our company profile and impressive list of completed projects bear testimony to our expertise and commitment to excellence.

At Chefs First, we prioritize strong partnerships with the top brands in the industry and our primary suppliers. We work collaboratively with kitchen and laundry consultants to deliver on exacting project requirements. Our clients rely on our ability to handle even the most complex of projects with ease, and we consistently deliver beyond expectations. With our track record of exceeding client expectations and commitment to quality, Chefs First Equipment Trading is the preferred choice for kitchen and laundry equipment needs in the region.

CHEFS FIRST INTERNATIONAL CONTRACTING

[RIYADH]

The hospitality sector in the Kingdom of Saudi Arabia has been witnessing unprecedented growth on a global level, presenting exciting opportunities for businesses to establish their presence. With our experience of carrying out successful projects in KSA since 2011, we recognize the demand for a local presence to cater to this vibrant market. In response to this, we are pleased to announce the establishment of Chefs First International Contracting in the Kingdom in 2020, which has made a remarkable start. Our commitment to customer satisfaction remains unwavering, and we continue to strive to provide our clients with the best support, regardless of their location.

THE COMPLETE SOLUTION

International presence. Personal touch.

ChefsFirst is a full-service kitchen design group that provides a total turnkey package of quality services in design, purchasing, & installation in order to ensure the successful implementation of your foodservice plans.

Our international presence enables us to provide you with personal attention anywhere in the Middle East. We've done projects from Saudi to Qatar, Kuwait to Morocco and everywhere in between. Regardless of your location, we'll be there to help by providing unmatched quality, dependable service & equipment at an incredible value.

ChefsFirst is staffed with excellent project managers, experienced in both kitchen design and construction. They work in partnership with your construction staff, consultants,

general contractors, and their related sub-contractors in all aspects of design, purchasing & installation.

We have a proven track record of providing quality project management services to all sectors of the foodservice industry.

Our clientele have very unique & diverse backgrounds, at ChefsFirst we provide custom, optimized solutions in order to meet the unique needs of each individual client. It's with this in mind that we have a section that provides same value solution services for commercial laundry.

Feel free to contact us if you have any requirements in commercial laundry service & solutions.

STAINLESS STEEL

We make you shine.

At our company, we understand that exceptional stainless steel bespoke fabrication is the cornerstone of any successful kitchen equipment project. With this in mind, we commit ourselves to providing the finest fabrication services in the region, encompassing expert design, precise site measurements, detailed drawings, and seamless installation. Our highly skilled team stands as a testament to our dedication to quality, a fact which shines through in our impressive portfolio of past work.

One glance at any of our completed projects, even years later, demonstrates the unparalleled difference in our choice of materials, precision craftsmanship, and meticulous attention to detail.

We're here for you.
Every step of the way.

CHEFS-FIRST.COM

CUSTOM TAILORED BUSINESS MODEL

Based on individual needs we can tailor our service offering to provide kitchen and laundry equipment in three broad business areas.

TURNKEY PROJECTS

We have worked closely with leading Industry designers & Specifiers on several Hotel development projects for which we provide expertise in design, project management, supply, fit-out & execution.

RETAIL & REPLACEMENT BUSINESS

We specialise in a wide range of industry leading products and brands to ensure that we always meet our clients' every need. If you're looking to buy your commercial kitchen equipment online please register on our website & check our readily available stock for immediate delivery.

SERVICE & PREVENTIVE MAINTENANCE

This is the most important part of our business. An essential ingredient in our recipe for overall Customer satisfaction. We always maintain a stocked inventory of commonly replaced high-mortality spare parts and experienced, fully qualified & trained service personnel, thus assuring Clients of prompt response and speedy turnaround times. Our promise for service excellence is a commitment to keep your operation smooth and always ensure customer delight.
